WHY VISIT MONTENEGRO

Being the seventh country in the world with the largest number of UNESCO protected areas per square meter, Montenegro is a home to deepest canyon in Europe and the second in the world just after the Grand Canyon – Tara River Canyon, the longest sand beach of the Old Continent – Ulcinj, southernmost fjord in Europe and one of the most beautiful bays in the world – the Bay of Kotor.

That is to say, with its exceptional landscapes, imposing mountains, enchanting Adriatic sea, idyllic villages, top notch gastronomy, and incredibly rich history and culture, Montenegro is boasting magical contrasts that manage to satisfy even the most demanding world travellers and explorers.

MONTENEGRO HIGHLIGHTS

#01 Paradisiacal Adriatic Sea Beaches

From pebbles in Kotor, sand in Budva and long ocean-like beaches in Ulcinj, no matter which one out of 117 stunning beaches you choose, you can't go wrong and will simply fall in love with the crystal clear turquoise sea.

#02 Boka Kotorska (Kotor Bay)

The Bay of Kotor is one of the most beautiful bays in the world and is rightly known as the 'jewel of the Montenegrin crown

#03 Beautiful Mountains and Unbeatable Hiking Options

Apart from the stunning sea and beaches, Montenegro is one of the most beautiful mountaineering destinations in Europe.

#04 Booming nightlife

Montenegro's nightlife comes in all forms, with a plethora of varieties and options for each person to find something to their liking.

#05 Yachting

With 3 world well known yachting marinas Montenegro has a reputation of new Monte Carlo, becoming a trendy yachting, hot spot scene during the summer.
